

Information for group leaders

Ladies and gentlemen,

to ensure that you and your group have a smooth and pleasant stay with us, we would like to ask you to stick to the following points.

- Please collect the entrance-fee before you enter the facility.
- Please make sure that your group does not block up the space in front of the cash-desk, cash automat and turnstile. Your group will not enter the bathing facility via the turnstile, but via the exit.
- Due to security reasons you may not take gas bottles with you. Bottles and glasses may not be taken into the bathing area.
- A 1 € coin as deposit is required to use the lockers. In case of many visitors we would ask you that 2 or 3 persons use a common locker.
- A fee of 20 € is to be charged if you loose the key of the locker.
- Please advice your group that the shoeless area begins behind the changing rooms near by the lockers. Outdoor shoes are to be taken off in the changing rooms.
- The use of mobile phones is strictly forbidden throughout the entire building to avoid disturbing other visitors.
- Please introduce yourself to our supervising staff.
- Please take a shower before swimming. We would greatly appreciate if the group leader present in the bathing area made this essential point clear to the group.
- Please support our supervising staff carrying out your supervising duties near by the pools and slides, as well as at the edge of the pool during the waves.
- Be aware of the fact that the new slides are designed for swimmers only. Minimum age for the tube slide is 6 years, for the white water river 12 years.
- When using the new slides, please either sit or lay on your back with legs down. Other positions are strictly forbidden.
- The slides will be closed at sunset or at 8.00 pm at the very latest.
- Due to security reasons, it is forbidden to dive from the edge of the pool. This applies to the entire bathing area.
- Please show respect for senior visitors.
- It is not possible to reserve deck-chairs. Please use the stone terrace close to the wave pool or the wooden benches.

Thank you in advance for your attention. We hope you have a pleasant stay.  
Your „badkap“ team
